

GREAT USES

FOR LEMON

- 
- 
- **Household and Cleaning** - Clean and disinfect cutting boards and other wooden tools, deodorize plastic containers, and polish stainless steel.
 - **Beauty and Health** - Works as a deodorant, replaces bleach in the washer, removes mildew, soothes sore throats, and sanitizes jewelry.
 - **Food and Drink** - Wash produce, refresh aging lettuce, preserve fruit and veggies, and lower salt intake. Add lemon slices to a pitcher of water for a calorie-free refreshing drink.
 - **Pets, garden and more** - spraying surface acts as a repellent to cats, naturally kills weeds, deodorizes humidifiers, and repels ants and other pests.
